

See the real everglades on our state-of-the-art airboats with 8.1 liter engines and stadium seating! We are the only airboat tour company in Central Florida that will spend the entire one-hour tour in the everglades! Cypress Lake is surrounded by marsh in all directions for several miles. This is where you will see more alligators, birds and wildlife, because there are no houses or developments in our area GUARANTEED! We have the highest concentration of Bald Eagles in Florida on the tour paths we travel. Our airboats are US Coast Guard certified and operated by master captains. Come enjoy the most scenic airboat tour in Central Florida with Cypress Lake Airboat Tours!
